## EARLY CHILDHOOD

A program for Aboriginal people by Aboriginal people

**Get involved in your child's learning and help get them ready for school.**

Parents and Learning (PaL) is an early childhood parent engagement program. PaL encourages young children to read and get ready for school learning.

PaL is:

- Focused on parents teaching their children

PaL kits include a story book, instruction card and a game. Each week a local PaL tutor delivers kits to family homes, schools and playgroups. PaL tutors show families how to use the books and games to best help their child learn.
