## **Our Family Our Children**

Ngalang Moort Ngalang Kurlangah is an innovative program led by Ngala, designed for Aboriginal and/or Torres Strait Islander families with young children aged 0 to 4 years.

This program offers a range of engaging activities aimed at nurturing our children's play, learning, and overall well-being while ensuring they are having fun doing so.

Ngalang Moort Ngalang Kurlangah also provides customised workshops deeply rooted in cultural connections, facilitates access to various support services through referral pathways, and extends its service to include home visits.
